Initiative Presentation

NauticaMed World show, is promoted and organized by SIDI-Eurosportello, a Special Agency of the Ravenna Chamber of Commerce and ICE, Italian Institute for Foreign Trade (also known as Italian Trade Commission).

The initiative represents an interesting opportunity for every single operator of this specific field, willing to explore or strengthen their presence on international market. Main NauticaMed World 2010 target is to promote solid and stable commercial link between Italian companies and operators from foreign countries, by the organization of business meetings (B2B) with potential partners, from Australia, India, United Kingdom, Russia and Spain.

An important delegation composed by 20 operators coming from the five target countries will be in Ravenna, fulfilling the roles of buyers, dealers, shipyard administrators, functionaries and distributors, to evaluate commercial purposes formulated by Italian companies
